CHIEF OF ENGINEERS OF THE UNITED STATES ARMY TO ACCEPT
A TRACT OF LAND DONATED TO THE UNITED STATES FOR
PARK PURPOSES

FEBRUARY 3 (calendar day, FEBRUARY 5), 1925.—Ordered to be printed

Mr. EDWARDS, from the Committee on the District of Columbia, submitted the following

REPORT

[To accompany H. R. 10348]

The Committee on the District of Columbia, to whom was referred the bill (H. R. 10348) authorizing the Chief of Engineers of the United States Army to accept a certain tract of land from Mrs. Anne Archbold, donated to the United States for park purposes, having considered the same, report thereon with a recommendation that it do pass.

Mrs. Anne Archbold donates unconditionally, for park and parkway purposes, an area of 28.12 acres. This land is located in the valley of Foundry Run and extends from the southern boundary of the tract recently donated by Mr. Charles C. Glover southward to Reservoir Road, which is the principal thoroughfare from Georgetown westward to the Conduit Road at the receiving reservoir. It is entirely covered with forest, and this completes a parkway from Reservoir Road northward to Massachusetts Avenue. Foundry Run Valley lies west of Wisconsin Avenue, parallel to Rock Creek Valley, and the acquisition of these tracts are of the greatest value in balancing the park development of the National Capital. Appreciation of such a gift should, of course, be shown by the prompt passage of this bill authorizing the acceptance of the gift.
